- The fields will use a 50 foot pitching distance and 70 foot base paths as a transition to Big League field sizes of 60 foot pitching distance and 90 foot base paths.
- Players will be allowed to lead-off, attempt to steal bases, and have an on-deck batter.

Postseason Play

- Post-season play will consist of State, Regional, and a possibility to play in the World Series (featuring teams from around the world).
- All World Series expenses (such as travel, lodging and meals) are paid by Little League International

Long-term Vision

Greater Richland Little League is providing this Intermediate Division in hopes of providing more opportunities for our Youth to play baseball, while maintaining the same standards of play and sportsmanship we provide in our Other divisions. We are in collaboration with other Leagues in our area in hopes of expanding the participation in this division. Our long-term vision is to add a Juniors Division for ages 12-14 using a conventional 90-foot diamond with a pitching distance of 60 feet, 6 inches.
